Dockets Management Branch (HFA-305)  
Docket No. 98-N-1265  
Food and Drug Administration  
5600 Fishers Lane Room 1061  
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I feel that the FDA has imposed its  
will on the people of the U.S. for far too long!  
We can and should have choice in all matters  
including medical.
